SERVICES AND SUPPLIES THAT ARE NOT PAID FOR

Some services or supplies you receive may not be covered under this health coverage. Expenses for the following will not be paid:

- Any service or supply that is not medically necessary. However, if a service is determined to be not medically necessary because it was not rendered in the least costly setting, covered expenses will be paid in an amount equal to the amount payable had the service been rendered in the least costly setting.
- Custodial care. This is care meant simply to help people who cannot take care of themselves.
- Cosmetic or re-constructive procedures, unless following a mastectomy.
- Investigational or experimental services.
- Any treatment for surgery for obesity, weight reduction, weight control or complications there from, reversal or re-constructive procedures resulting from such treatment.
- Services or supplies related to dysfunctional conditions of the muscles of mastication, malposition, or deformities of the jawbone, orthognathic deformities or TMJ (Temporomandibular Joint Disorder including, but not limited to, surgical treatment, appliances and orthodontia.)
- Treatment resulting from acts of war or military service.
- Services you are not charged for in VA hospitals or other kinds of hospitals or agencies.
- Any service or supply provided by a member of the patient's family or by the patient, including the dispensing of drugs. A member of the patient's family means spouse, parent, grandparent, brother, sister, child or spouse's parent.
- Services or supplies you received before you had coverage under this group contract or after you no longer have this coverage.
- Luxury or convenience items and travel expenses, whether or not recommended by a physician.
- Services or supplies payable by Medicare, workers compensation or any other government or private program.
- Private duty services by sitters or companions; private duty services by RNs and LPNs unless these services are part of an approved home health or hospice program.
- Reversals of tubal ligations or vasectomies.
- Prescription drugs bought at a doctor's office, skilled nursing home, hospital or any other place that is not a pharmacy licensed to dispense drugs in the state where it
 is operated.
- Any service or treatment for complications resulting from any non-covered procedures.
- Any service or supply rendered to a member for diagnosis or treatment of infertility.
- Any service or supply rendered to a member for the diagnosis or treatment to change gender or to improve or restore sexual function.
- Relationship counseling, including marriage counseling, for the treatment of pre-marital, marital or relationship dysfunction.
- Services and supplies related to routine foot care.
- Food supplements, even if the supplements are ordered or prescribed by a physician.
- Prescription drugs used for weight control, obesity, cosmetic purposes, smoking cessation, hair growth or fertility.
- Any service or supply the member is not legally obligated to pay.
- Services for the removal of impacted teeth.
- Eyeglasses, contact lenses (except after cataract surgery), hearing aids and examination for the prescription or fitting thereof and any hospital or physician charges
 related to refractive care.
- Any medical social services, occupational, visual, speech, recreational, behavioral, educational or play therapy or bio-feedback, except when part of a pre-authorized home health plan or hospice care program.
- Dental services, except for dental treatment up to 6 months after an accident.
- Services and supplies received for the treatment of any work related accident or illness.
